### **Who We Are**

The only domestic abuse service in the Scottish Borders run by women for women.

A team that understands the dynamics of domestic abuse and how it affects women and children.

### **What We Do**

Provide safe accommodation and specialised support to women & their children who choose to leave an abusive relationship.

Provide outreach support to women who are experiencing or have experienced domestic abuse.

Support each woman as an individual with her own personal goals.

### **Why We Do It**

For the last 3 years there have been over 1000 reported incidents of domestic abuse in the Borders.

We believe that in a society where women are truly equal, this would stop.
